

B'Reisheet

(In the beginning)

B'Reisheet 1:1-6:8

1

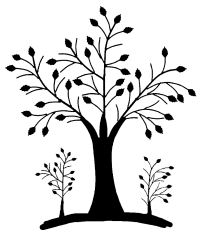

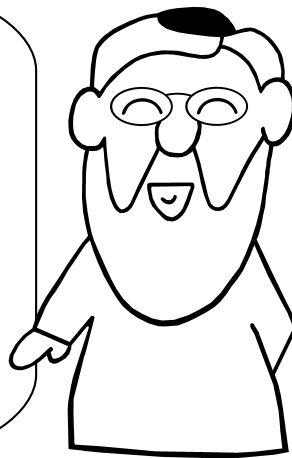

PARASHAH PEARLS

-  ADONAI created everything in complete perfection.
-  Disobedience to the Word of ADONAI is sin.
-  Yeshua saves us from the separation that sin creates.

בָּרָא

“Bara”

Created

Adam and Chavah chose to partake in the tree of the knowledge of good and evil, thereby ushering in the understanding of sin into the world. We should not be quick to place all the blame upon Adam, for had we been in the same situation we too would have fallen.

G-d saw that it was good

- Genesis 1:1-31
- G-d created all that exists, from the tiniest bug to the largest planet.
- Six times G-d says that His creation was good and the seventh time He says that it is very good.

Choosing to disobey is sin

- Genesis 3:1-19
- Sin = willfully disobeying the divine Law of ADONAI.
- Adam and Chavah chose to disobey G-d's instructions and as a result were punished.

The sin of Adam and Chavah not only affected them, but also everyone who was born after them.

Yeshua saves us from death.

- 1 Corinthians 15:20-22
- Through Adams disobedience, sin and death came into the world, but life comes through the obedience of Yeshua the Messiah.
